**PRESS STATEMENT ISSUED BY THE
NATIONAL EXECUTIVE COUNCIL (NEC) ON
11TH FEBRUARY, 2025 IN ACCRA**

At an emergency National Executive Council (NEC) meeting of CLOGSAG held on Tuesday, 11th February, 2025 at the National Secretariat in Accra, Council discussed at length the appointment of Mr. Samuel Adom Botchway by Government as the Registrar of Births and Deaths. Members of Council unanimously decided that if the appointment of Mr. Samuel Adom Botchway as Registrar of Births and Deaths is not withdrawn, it would embark on a nationwide strike action.

CLOGSAG had earlier issued a statement that the said Mr. Samuel Adom Botchway is a known NDC activist and one time a District Chief Executive of Asikuma Odoben Brakwa of the Central Region, and that since he is politically coloured he cannot be appointed into the Civil Service.
