**PUBLIC SUPPORT FOR THE
SUSPENSION OF THE CHIEF
JUSTICE**

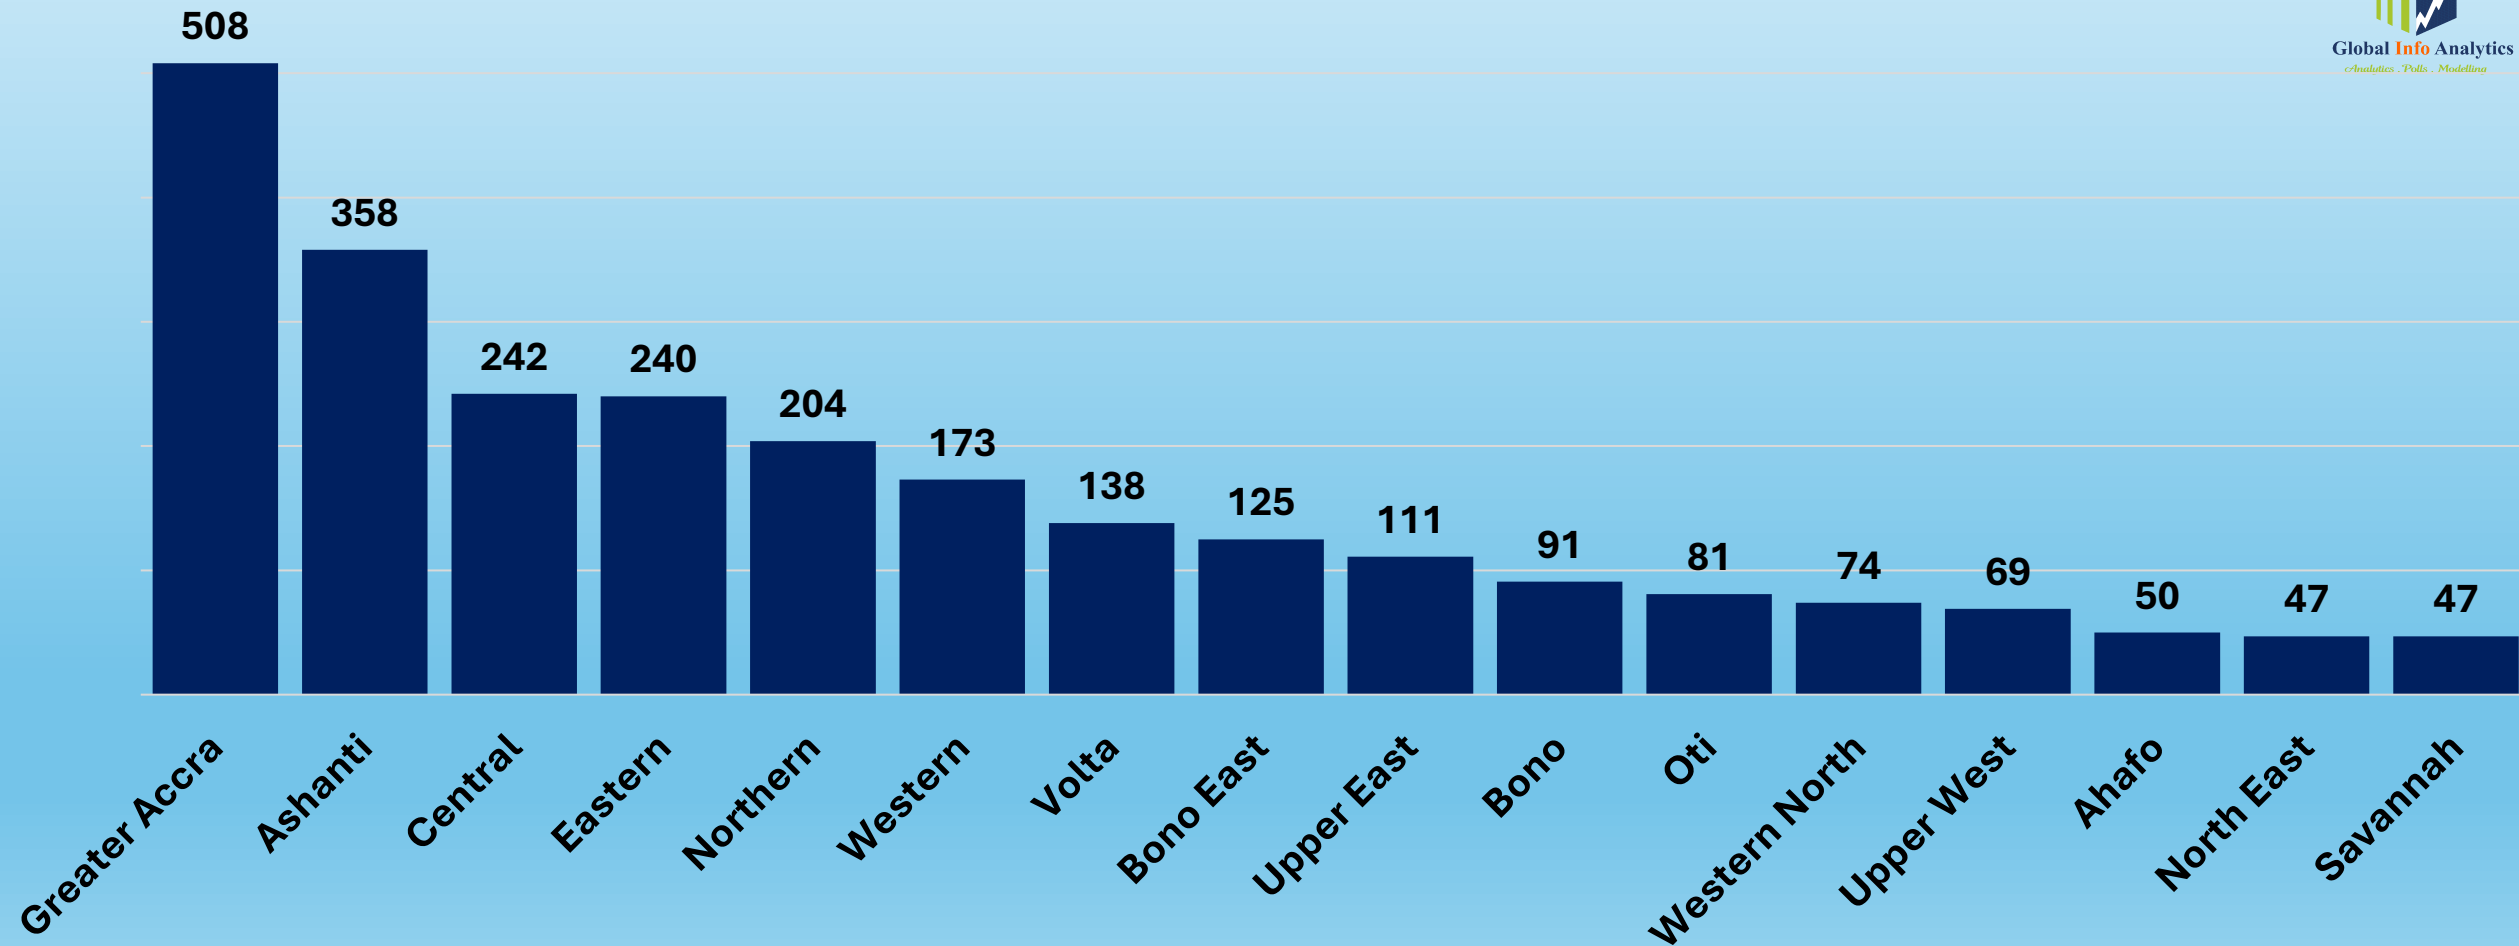

Executive Summary

- ❑ Nearly one month after the Chief Justice was suspended from office, a new poll shows 53% of voters support her suspension while 20% oppose. 12% of voters were neutral and 15% did not have an opinion.
- ❑ Again, when voters who oppose the suspension, were neutral or did not have an opinion were further asked to indicate their level of support or opposition for her removal if there is evidence that the Chief Justice has acted unlawfully, only 20% would now support her removal, now down from 30% in April. However, 33% will still not support her removal also down from 35% in April. 20% were neutral, up from 19% in April while 27% did not still have an opinion up from 16% in April.
- ❑ Majority of voters in all the regions support the suspension except North East and Northern.
- ❑ On party lines, majority of voters across all party divide support the suspension except NPP voters. The poll shows only 13% of NPP voters support the suspension while 87% of NDC voters support it. For Floating voters, 54% support it, while 58% of other parties supports back the suspension and 37% among those who do not disclose their party affiliations.
- ❑ For those who oppose the suspension, 51% were NPP voters, 2% were NDC, 9% were Floating voters, 2% other parties and 9% of those who do not disclose their party affiliation.
