CONDOLENCE STATEMENT – GOLDEN ROYAL TECHNOLOGIES

On behalf of the entire team at Golden Royal Technologies, I want to extend our deepest condolences to the president of the Republic, the government, the bereaved families and entire nation on the unfortunate helicopter accident which took the lives of 8 national officials including state ministers while on national assignment. May the memories of your beloved bring you comfort and peace.

As we reflect on the impact on those around them, we are reminded of the importance of cherishing every moment and celebrating the lives of those we hold dear. Please know that you are not alone in your grief. Our thoughts and prayers are with you, and we hope you find strength in the love and support that surrounds you.

I particularly want to extend my personal condolences as the CEO of Golden Royal Technologies. May God bless you and your family during this challenging time.

Signed
Evans Omane – Boateng
