VCTU-G COMMISERATES WITH THE NATION

The Vice-Chancellors of Technical Universities of Ghana (VCTU-G) joins the entire nation in mourning the tragic loss of eight distinguished Ghanaians in the Ghana Air Force helicopter crash in Adansi, Ashanti Region, on Wednesday, 6 August 2025.

On behalf of the Technical University community in Ghana, I extend our heartfelt condolences to the bereaved families, the Government of the Republic, the Ghana Armed Forces, and the good people of Ghana.

Our thoughts and prayers are with you.

We urge the entire Technical University community to observe this period with utmost solemnity and respect, in honour of our departed compatriots.

May their souls find peaceful repose in the bosom of eternity, and may their families be comforted by the nation's gratitude and the legacy of their comradeship and patriotism.

In this difficult period, let us come together as one people united in grief and committed to the Ghana they died serving.

God be with us all.

SIGNED

REV. PROF. JOHN FRANK ESHUN
CHAIRMAN, VCTU-G
