

- Demand a detailed financial breakdown of how the money is being used;
- Establish which agencies now fall under his control, their current budgets, and justification for such spending;
- And publicly report your findings to restore public trust in the institutions of state.

We are not calling for persecution. We are calling for accountability. We voted for leaders to serve Ghana—not to enrich themselves or entrench political control through questionable funding strategies.

The People's National Party, on behalf of the Ghanaian people, urges your office to act swiftly and fairly in addressing this matter.
