**CIRCULATION ON SOCIAL MEDIA OF A PURPORTED LETTER CONCERNING MY TITLES.**  
My attention has this morning been drawn to a letter circulating on social media, purportedly issued by the Ghana Tertiary Education Commission (GTEC), alleging that my terminal degree is invalid and directing me to desist from using the said title.

2. I wish to state categorically that I **have not received any such letter from your outfit.**
3. Should such a communication exist, I respectfully request that it be made available to me through the appropriate official channels, to enable me respond appropriately and take any necessary steps to exercise my rights under the laws of Ghana.
4. Please be assured that, as a lawyer and a firm believer in the rule of law, I will take all lawful measures to protect and exercise my rights in this matter.
5. While I continue to support the GTEC in fulfilling its statutory mandate, I will not hesitate to defend my rights before any court of competent jurisdiction should the need arise.
6. This notice is hereby formally served.

Sincerely yours,

**Dr. E.O.Osae, ESQ.**
