**THE HONOURABLE MINISTER  
MINISTRY OF ENERGY AND GREEN TRANSITION  
MINISTRIES - ACCRA**

Dear Honourable,

**REQUEST FOR ENGAGEMENT ON PROPOSED MERGER OF COMMISSIONS**

The Public Services Workers' Union (PSWU) of TUC (Ghana) extends its warm felicitations to the Honourable Minister for Energy and Green Transition and on this occasion is delighted to respectfully request for engagement on the proposed merger of the Public Utilities Regulatory Commission and the Energy Commission, Ghana.

This request is occasioned by concerns received from staff of the two Commissions, who are members of our Union, with regards to the possible effect of the proposed merger on them. There are further concerns that the process may be concluded without critical concerns from the Union being factored.

We are therefore of the opinion that since this proposal has major repercussions on staff issues, engagement on the matter will enable us to better appreciate the proposal, make possible inputs into it, with a view to arrive at more workable options.

The PSWU as a family unionizes workers across seventy-five (75) public sector organizations including PURC, Energy Commission, VRA, NEDCo, GRIDCo, and the Bui Power Authority.

While we anticipate a favourable response from you for an engagement at your earliest convenience, we wish to extend to you, Honourable Minister, the assurances of our respect.

Yours faithfully,

For: PSWU OF TUC (GHANA)
