Dear Sir,

REQUEST FOR URGENT MEETING

The Management of **Regimanuel Gray East Airport Estate** request an urgent meeting with your esteemed office to address recent developments within the estate that have become a major source of concern.

Over the past weeks, residents have reported increased security challenges as well as the worrying presence of unauthorized individuals (**commonly referred to as land guards**) within the community. These occurrences have heightened anxiety among residents and pose a serious threat to the safety and peaceful enjoyment of our homes.

We respectfully propose the following agenda for the meeting:

1. **General Security Concerns on the Estate**
2. **Presence of Unauthorized Individuals (Land Guards)**

Given the urgency of the matter, we kindly request that the meeting be scheduled at the earliest convenience to enable us to discuss and find collaborative solutions.

We trust in your leadership and commitment to the welfare and safety of residents within the Ledzokuku Municipality, and we look forward to your favorable response.

Yours faithfully,

General Manager
