Dear Sir/Madam,

PETITION FOR INVESTIGATION OF COURT ALLOCATION:

REPUBLIC v. KENNETH NANA YAW OFORI-ATTA & 7 ORS. (CASE NO. CR/0106/2026)

We act as solicitors for Strategic Mobilizations Ghana Limited ("our Client"), the 8th Accused Company in the above-mentioned criminal matter, and write strictly on their instructions.

On 20th November, 2025, our Client was invited to the office of the Special Prosecutor in respect of the above mentioned-case which we accompanied our client to attend. At the said meeting, our Client was formally served with the charge sheet for the case and informed by the Special Prosecutor to report to the Criminal Court 3 on Monday, November 24, 2025 for its plea to be taken.

Immediately after the meeting, we proceeded to the court complex with our Client to confirm the assigned court for the case as well as the adjourned date. Surprisingly, we were informed by the court's registry that the matter was yet to be assigned to any court, and that the docket was not even before them. Additionally, we were at the Registry on Friday, 21st November, 2025 to confirm again, however, we were once again informed that the docket was still not before them and the matter was yet to be assigned to any court.

In view of this, we hereby request an investigation into the allocation of the above-mentioned matter to Criminal Court 3, a fact which seemed to be known by the Special Prosecutor prior to any official allocation by the court.

We respectfully count on your usual cooperation. Thank you for your consideration.

Yours faithfully,

BOYUO@LAW
