The Regional Director,
Ghana Road and Highway Authority,
Volta, Ho.

Dear Sir,

ATTENTION

I appreciate you and your office for the swift response to the reconstructed Sayikorfe bridge and the rehabilitated and expanded Tsetsekpoo bridge.

I wish to draw your attention to the Atigo bridge at Battor along the Adidome Juapong road. The three most identifiable bridges on the road must be of the same standard for smooth flow of traffic.

I'm appealing to you and your office to give it a facelift.

Looking forward to a swift and positive response.

Thanks.

Yours faithfully,
Guggisberg Fiagbenu
