11th December 2025

Dear Sir/Madam,

MADAM REBECCA ODARQUAYE 36YEARS

Thank you very much for your request for treatment at Euracare Hospital.

We are writing to provide the details and cost estimate for the recommended medical procedure for Madam Rebecca Odarquaye.

The Patient has history of Subarachnoid Hemorrhage secondary to leaking Left ICA Bifurcation Aneurysm confirmed on Digital Subtraction Angiogram.

Madam Rebecca Odarquaye requires **Endovascular Treatment**.

The estimated cost for this procedure is Two Hundred And Ten Thousand, Eight Hundred And Forty Ghana Cedis (**GH¢ 210,840.00**) only.

This amount includes:

- Consumables **during the procedure**
- Procedure-related drugs
- Surgical fees
- Anesthesia during the procedure

Please note:

- This estimate is subject to change depending on the outcome of the procedure. The final cost may increase or decrease once the procedure is completed.
- Post-procedure medications are **not included** in this estimate. These will be communicated separately after the procedure, as needed.

Please remit funds into our account.
