## **PRESS STATEMENT**

The Chamber of Oil Marketing Companies (COMAC) acknowledges recent public statements regarding the self-suspension of the membership by one of our members.

COMAC respects the rights of its members to make independent decisions about their participation in the collective goal of the Chamber.

That notwithstanding, COMAC remains strong, united, and unwavering in its commitment to representing the collective interests of its members, protecting consumers, and promoting sustainable growth and development of the industry for the ultimate benefit of the general public.

We value diverse perspectives and encourage open dialogue among members as we work together to achieve our shared goals.

COMAC will continue to engage with the industry regulator and all stakeholders to address issues affecting the effective implementation of policies within the sector.

We assure the public and our stakeholders that COMAC will consistently operate in line with its established principles and collective decisions, fostering a fair, inclusive, and transparent environment for all members.
