WOMEN'S DAY MESSAGE – 2026

Happy International Women's Day 2026!

Honouring a Legacy and Renewing Our Commitment to Women's Empowerment

As the world commemorates International Women's Day under the theme "Rights. Justice. Action. For All Women and Girls," Developing Women for Mobilization –DWM" joins the global community in celebrating the achievements of women while calling for renewed action toward gender equality.

This year's observance carries special significance for our organization as we remember and honour the life and legacy of our late President, H. E. Nana Konadu Agyeman-Rawlings, whose unwavering dedication to women's rights and empowerment transformed countless lives and strengthened the movement for gender equality.

Her Excellency, Nana Konadu Agyeman-Rawlings was a passionate advocate for women and girls, championing access to education, economic opportunities, leadership, and protection from gender-based violence. Through her vision and tireless work, she helped amplify the voices of women across communities and inspired a new generation of leaders committed to justice and equality.

"Today, as we celebrate the strength and resilience of women everywhere, we also reflect on the powerful legacy left by Her Excellency, Nana Konadu Agyeman-Rawlings, her passion and commitment continue to guide our mission.

In her honour, we reaffirm our determination to advance women's rights and create a future where every woman and girl can thrive.

On this International Women's Day, DWM calls on government, civil society, partners, and communities to work together to accelerate progress toward gender equality by ensuring that women and girls have equal opportunities, protection, and representation in all spheres of society.

As we celebrate the progress made, we also recognize that much work remains. Inspired by the legacy of Nana Konadu Agyeman-Rawlings, our organization remains committed to advocating for policies, programs, and partnerships that empower women and girls and uphold their rights.

Together, we honour her memory by continuing the work she believed in so deeply, building a more just, inclusive, and equitable world for all women and girls.

Happy international Women's day

Ayekoo to all women

God bless you all
