THE DIRECTOR GENERAL

GHANA EDUCATION SERVICE

RE: RESPONSE TO APPROVAL FOR PAYMENT OF SALARY ARREARS ASSOCIATED WITH UTILIZATION OF 2024 FINANCIAL CLEARANCE FOR GES (Ref: No. GES/DD-G(MS)/1/26/212)

I write in reference to your letter dated 20th April 2026 regarding the approval granted by the Ministry of Finance for the payment of salary arrears to eligible staff of the Ghana Education Service covering the period from 1st August 2024 to November 2025.

While we acknowledge and appreciate the efforts made by Management and the Ministry of Finance to address part of the outstanding arrears, we wish to respectfully express our concern and displeasure regarding the omission of arrears accrued from late 2023 to July 2024.

It is important to note that a significant number of staff continue to experience financial hardship due to the non-payment of arrears within this earlier period. The exclusion of these months creates a gap that leaves many affected staff without full redress of our legitimate entitlements.

In light of this, we kindly request that:

Clarification be provided on the status of arrears accumulated from late 2023 to July 2024.

Consideration be given to including these outstanding arrears in subsequent payment schedules.

A clear timeline be communicated regarding when these payments will be addressed.

We believe that resolving this matter comprehensively will go a long way to boost staff morale and reinforce confidence in the administrative processes of the Service.

We appreciate your attention to this concern and look forward to your prompt response.

Thank you.
