Dear Sir,

RE: PETITION TO BOARD OF EOCO: ABUSE OF POWER, UNLAWFUL INVESTIGATION, AND CONTINUING DEFIANCE OF HIGH COURT ORDERS.

Reference is made to your petition dated April 09, 2026, addressed to the Governing Board of the Economic and Organised Crime Office (EOCO), in which you raised allegations of abuse of office, unlawful investigation, and defiance of court orders against the Acting Executive Director and the Deputy Executive Director.

The Board referred the matter to its Legal Sub-committee for a thorough review. Following a review of the petition, the relevant High Court rulings, and internal investigative reports, the Board wishes to communicate its decision as follows:

The Board did not find evidence of abuse of power on the part of the Acting Executive Director and the Deputy Executive Director.

Regarding the allegation of unlawful investigation whilst the matter has been reviewed, the Board notes that this specific issue is the subject of the Human Rights Action pending before the High Court with suit No. HR/0060/2026. In order not to prejudge or prejudice a fair determination of the said action and the issues raised therein, the Board has decided not to comment on it.

On the allegation of defiance of court orders whilst the matter has been reviewed, the Board observes that this is also a matter currently before the court. Furthermore, as the matter has been appealed and a stay of execution filed, the Board will refrain from commenting on this issue at this time.

Regarding the interim order of injunction, the Board has directed the Office to ensure strict compliance with the orders of the High Court for the period of the interim injunction.

The Office remains committed to exercising its functions within the ambit of the EOCO Act, 2010 (Act 804) and the 1992 Constitution of Ghana.

Yours faithfully,

Sedina Gbeye, Esq.

Board Secretary
