Weta

Volta Region

Date: 2/04/26.....

## **FOR IMMEDIATE RELEASE**

### **SOLIDARITY STATEMENT IN SUPPORT OF HON. DR. GABRIEL TANKO KWAMIGAH-ATOKPLE**

The Weta Traditional Council, on behalf of the people of Weta and the larger Weta Traditional Area, has taken note of recent developments and public discourse involving Hon. Dr. Gabriel Tanko Kwamigah-Atokple, his company Sesi-Edem Company Limited, and the Economic and Organised Crime Office (EOCO).

Hon. Dr. Kwamigah-Atokple, a distinguished son of Weta and the Volta Regional Representative to the Council of State, has consistently demonstrated commitment to the socio-economic development of our community and the wider region. His contributions to enterprise growth and community advancement remain significant and widely acknowledged.

While we respect the mandate of EOCO and all state institutions, we emphasize the need for strict adherence to due process, professionalism, fairness and rule of law in the handling of this matter. Justice must not only be done but must be seen to be done without prejudice.

We express concern over the growing circulation of unverified information and commentary across social media platforms, which risks undermining due process and damaging reputations prematurely. We call for the immediate cessation of such social media trials and urge the public to exercise restraint.

We further call on EOCO to ensure that all actions and procedures are conducted in a manner that upholds the integrity of the process and avoids creating undue public bias and malice ahead of any formal determination.

As a Traditional Council, we believe that individuals who contribute meaningfully to development should be encouraged within a framework of accountability and fairness. Actions that inadvertently discourage such contributions must be carefully avoided.

This statement is issued in the interest of justice, fairness, and the protection of institutional credibility.

As a son of the land, the Weta Traditional Council solidly stands behind our subject, Hon. Dr. Gabriel Tanko Kwamigah-Atokple with the expectation that state authorities will act within the remit of the law.

**Wishing you all a blessed and a joyful Easter!!**

  
PRESIDENT  
WETA TRADITIONAL COUNCIL  
WETA

Torgbuiga Akpo Ashiakpor VI (Paramount Chief & Overlord of Weta Traditional Area, and President, Weta Traditional Council).

On behalf of the good people of Weta and the larger Weta Traditional Area..
