PRESS RELEASE

DRIVER CONVICTED FOR CAUSING DANGER AND OBSTRUCTION ON MADINA-ADENTA HIGHWAY

1. The Madina Divisional Police Command, through the Motor Traffic and Transport Department (MTTD), has secured the conviction of a driver who discharged a sizeable quantity of concrete onto the Madina-Adenta Highway, thereby posing a danger and causing obstruction to other road users.
2. The incident occurred on Saturday, 5th September 2026, when a Mercedes-Benz concrete mixer truck belonging to Betonsa Ghana Limited, with registration number GE 4891-14, discharged a sizeable quantity of concrete on the main Madina-Adenta Highway, about 100 metres from the Zongo Junction Traffic Light, and left the scene.
3. Following information received by the Police, a team of personnels from the division, proceeded to the location and commenced investigations. Further enquiries led the Police to the premises of Betonsa Ghana Limited at Spintex, where the Transport Manager was engaged.
4. On Tuesday, 8th September 2026, the driver, Solomon Tawiah, was brought to the Police by the Transport Manager and charged with the following offences under the Road Traffic Regulations, 2012 (L.I. 2519).
Placing construction materials and equipment on the road, causing danger to a road user,
Obstruction of an intersection or a pedestrian crossing.
5. The accused was subsequently put before the Madina District Magistrate Court, where he pleaded guilty to all three charges. The Court imposed a fine of 25 penalty units on each count, to run consecutively. The accused has since paid the fines.
6. The Madina Divisional Police Command commends the public for providing information that enabled the Police to respond to the incident and wishes to remind drivers and transport operators that their actions on public roads can have serious consequences for the safety of other road users.
